Hello! Membership Dues is now due for the 2019 calendar year.

Please note that the Town of Avon, MA web site has a direct link to the AIPA website, click on the business tab and the user is immediately sent to AIPA's website listing of member businesses!

AIPA is a non-profit group seeking to advance the interests and business of its members in public and private affairs. Membership is open to all companies that operate within the confines of the Avon Industrial Park in Avon, MA as well as any other business that has interest.

This past fall the board voted to have membership run from January to December for all members to eliminate extra bookkeeping for our volunteers and hopefully increase membership and attendance for our two annual meetings held every year in the spring and fall. With membership you also will receive email notifications of pertinent town meetings, town and state opportunities and any works in progress as well as successes for our park.

If you have any questions or comments please go to the website/Contact Us for the quickest response.

Thank you!
