Our Members

There is still room for one more board member if anyone is interested in volunteering!

The AIPA has successfully reduced business tax rates over the years, enabled road improvements, helped with various community services and events and so much more.

New Business

The Tax Classification meeting held Thursday, November 21, 2019 and resulted in a reduction of the tax rate for the industrial/commercial sector by .91 cents per thousand dollars and .29 cents per thousand for the residents. Thank you to the 6-7 business owners that attended, your support and presence is what enables the AIPA's overall reduction goal of \$1.00 per thousand every year to be realized.

AIPA Signage Committee: Met with a sign design company 12/9/2019 for initial discussions and has a follow up appointment scheduled for 12/17/2019 that will include sight visits. Hopefully working drawings/art will be the result to obtain quotes for fabrication and ultimately installation next spring to be coordinated with the Town.
